

- On your next shopping trip to Fry's, present the school barcode along with your V.I.P card to your cashier.
- The cashier will scan your school barcode into the computer and then swipe your V.I.P card.
- This will automatically link your V.I.P card to your child's school or a school of your choice.
- After this, every time you shop, every purchase you make will automatically be deposited into the school's account.
- This only needs to be done once. The link will not carry over from the previous year.
- Within 72 hours, you will see a "COOL CASH" message on the bottom of your grocery receipt.
- Once the school reaches \$50,000\* in spending, Fry's will send the school/club a check for \$500 to spend as they wish.
- The school barcode may be passed on to neighbors, relatives and co-workers to assist your school in achieving their goals sooner.
- V.I.P card can only be linked to one school.
- The programs ends April 24, 2010 for the 2009-2010 "COOL CASH" year.
